MAINTENANCE, CARE & HANDLING

Do not take machine apart! Doing so will void the warranty.
The use of other adaptors will void the warranty.
Do not overfill the tobacco chamber! Doing so will cause the machine to jam. Forcing the machine to inject jammed tobacco will void the warranty.
Always keep hands/fingers away from nozzle opening & tobacco chamber when pressing the 'start' button to avoid cuts & lacerations. Extended injector is very sharp! (Fig. I)
